European Network of National Platforms (Basel Agreement)

Presentation of the European Network of National Platforms

Introduction

The European Network of National Platforms, formed in 2007 by the Basel Agreement, currently brings together the Czech Republic, France, Germany and Poland. This network, which is expected to expand, is working closely with other national platforms in Europe and with regional and international forums like the European Commission, the UN, the Council of Europe, and the European Forum for Disaster Risk Reduction, recently created.

COMMISSION DECISION of 20.11.2009

on the annual work programme for the actions to be financed in 2010 pursuant to Council Decision No 2007/162/EC, Euratom establishing a Civil Protection Financial Instrument

- The work programme set out in the Annex is hereby adopted as the 2010 Annual Work Programme on the following budget articles and items, for the amounts of appropriations proposed by the Commission in its 2010 Preliminary Draft budget:
- - Budget item 07 01 04 02 - Civil Protection Financial Instrument – Administrative Management - for an amount of € 450 000;
- - Budget article 07 04 01 - Civil Protection Financial Instrument - for an amount of € 18 000 000;
- - Budget article 19 06 05 - Civil Protection interventions in third countries- for an amount of € 8 000 000.

Response to the call of the financial instrument of the European civil protection

The platforms of the network decided to disseminate information about the call to their partners, with the aim to developing coordinated proposals.

In addition, platforms of the network decided to submit proposals in relation with:

1. Following-up with return on experience from rare events (lead: DKKV) ;

2. Comparing legislative instruments (lead: MRN, supported by AFPCN) ;

3. A 3rd theme, "Education and awareness for public and authorities", is envisaged (lead: to be determined).

Contribution to international events and activities

- **The network continues to develop common points of view on issues vis-a-vis the European Commission, the UN System and other entities (GFDRR, etc.).**
- **The network continues to watch for upcoming events, and to disseminate, for some key events, preparatory elements and/or feedbacks. The network collects and provides information about platforms and partners' participation to events.**
